Dear Resident,

It was a pleasure meeting with everyone who attended the townhall meeting in January. Mayor Aaron McLeroy, Councilmember Todd Littleton, and I learned quite a bit listening and interacting with you at this meeting. Overwhelmingly, what we heard was you are concerned about your roads. At the end of the meeting we promised we would closely examine the roads in both the Berkley South Addition and the Avalon Addition.

We conducted another meeting on March 7<sup>th</sup> to present our findings and recommendations regarding the roads. At the meeting we discovered there was a mailing error resulting in many not receiving their meeting notice. Many of the letters were addressed to the previous owners, resulting in the Post Office not delivering the letter. As a result, we have rescheduled the townhall meeting for **Thursday, March 28<sup>th</sup>, 2019**. The meeting will begin at **7:00 pm at Snow Hill Baptist Church**, located at 6818 East SH-37, Tuttle, OK. All residents are welcome to come to the hour-long meeting.

Enclosed you will find an information sheet detailing our estimates for how much it will cost to repair the streets in each subdivision, along with the estimated per lot costs. At the meeting, we will go over the estimated costs, discuss how a Street Improvement District is set up and works, and answer any other questions you may have.

If you wish to ask any questions prior to the meeting, you can email them to Bianca Valencia at [bvalencia@cityoftuttle.com](mailto:bvalencia@cityoftuttle.com). She will be more than happy to help answer your questions.

Sincerely,

Tim Young  
City Manager
